

Our Partners

El Buen Samaritano reaches hundreds of families with our drive-through food pantry, yet we know many more are not able to access our campus due to health, transportation, or financial barriers. In response, we are expanding our reach into the community through organizational partnerships and collaborations. These partnerships mutually strengthen our efforts to expand access to food to diverse populations throughout Travis County and surrounding areas, including individuals and families with children, COVID+ individuals, older adults, refugees, survivors of intimate partner violence, people with disabilities, first responders, and health care professionals.

Our current partners include: Central Texas Food Bank, AVANCE, HACA, LifeWorks, Lone Star Circle of Care, Refugee Services of Texas, iACT, CommUnityCare Health Centers, SAFE, and CapMetro.

If you are interested in becoming an El Buen Food Pantry partner, please contact Amanda Doenges, Associate Director of Health Literacy, at adoenges@elbuen.org. We hope to hear from you as we foster a culture of collaboration to better serve our community.

~*~

El Buen Samaritano llega a cientos de familias mediante su Almacén de Comida por autoservicio y sabemos que hay muchas personas que por cuestiones de salud, transporte o situación económica no pueden acceder a este servicio. En respuesta a ello, estamos expandiendo nuestro alcance a la comunidad, asociándonos con otras organizaciones. Este trabajo en conjunto fortalece nuestros esfuerzos para proveer de alimentos a personas de bajos recursos, jóvenes, pacientes con COVID-19, refugiados, víctimas de violencia doméstica, empleados del sector salud y personas que brindan primeros auxilios en el Condado de Travis y áreas aledañas.

Algunos de nuestros socios son: Central Texas Food Bank, AVANCE, HACA, LifeWorks, Lone Star Circle of Care, Refugee Services of Texas, iACT, CommUnityCare Health Centers, SAFE, y CapMetro.

Si usted desea convertirse en socio del Almacén de Comida de El Buen, por favor comuníquese con Amanda Doenges a adoenges@elbuen.org. Esperamos ponernos en contacto con usted para seguir creando una cultura de unión para servir a nuestra comunidad.
